SUMMARY

Mairu, an extremely naive girl, learns a new truth from her guardian angel's words.

Volume 2 tells of her success story [?] as she clumsily paves her way along the road to finding love.

Miraculously, it seems as though she leaves the gaiden with Naru-kun! Going through earth-shattering emotions, without thinking, she told a small lie that makes everything take a turn for the worse. Everyone makes mistakes when it comes to love, so I TOTALLY feel for her.

All in the long-awaited Volume 2!

Compiled Works...Mairunovich 2
It will be okay if Nazunaga is here!

We're at chapter 2.
I worried and worried until
my face turned blue.

Well, at least the new
season is refreshing.

I wonder how volume 2
will go.

Please look forward to it?

Kinoshita Mainu is an uninteresting girl. She feels she is less fashionable and more plain than anyone else.

The "Poisoned Mushroom" girl.

However, she was enlightened when her guardian angel said those words to her, "Ugly isn't an excuse!" Then she was mysteriously transformed into a cute-looking girl!

Read as Mainu, a beginner in the world of love, heads for the front lines of her first goukon. Right as she is warming up to Nanutarou, she is crushed by Ayano's prank.

We last left Mainu crying for help in the women's bathroom. Her guardian angel appears and repairs her makeup flawlessly. He cheers her on and says "Don't you dare lose!" After that, Mainu mustered up all her courage and said in the microphone to Nanutarou,

"Would you like to get away from this goukon with me?"

Nanutarou had an uncomfortable look on his face as Mainu said one last time "Would you like to leave with me?" ...?♡

Greetings everyone! We are now at Sazou Zakurinchi. (A) ♪

Thank you. Thank you so much for purchasing this volume.

Ah it's time for Volume 2. You could say that volume 2 is all about Narutaruu to some extent. He starts and ends here. My manga is rarely well written or drawn... 00

I've made him look simple... but if it counts for anything, he's a really calm guy. "Is Naru-kun going to be well received?" I kept thinking to myself. I wonder what will happen. Is he too plain? If I marry, he would totally be my type, though! I guess he's more of an adult-ish woman's type of guy.

Goodluck Narutaruu!

I'm having Margaret comics do a special project. I was asked by the department chief "You say you want 2 pages of color, but what do you want to put on them?"

I thought about it deeply "A fashion page would be nice! Tenpui doing the makeup of Mairu, Ayano, and Fumiari in different styles! I've made good progress on the design. It's a little embarrassing to have my ideas printed in the magazine so I'll have to brush them up a bit!"

The editors are really amazing, aren't they? We called in some models and had them wear the makeup of Mairu and the clothing of Fumiari. Then we photographed them on stage.

I got to watch them. I took pictures of everything! I was able to get a lot of ideas and got my hands on a perfect make up set!

I love movies and I'm studying manga... Just random ramblings. During vacations I always go to the theater or rent movies from the local video shop.

Just a short while ago, I went to rent a video. The employee asked me if I wanted to also rent "Kick Ass" BTW, that's the title of the movie I read on article from a movie enthusiast magazine that said that it was the best movie of 2010. The employee kept asking me if I needed "Kick Ass" the movie which they didn't have in stock.

Why did he keep asking me if they didn't have it in stock?

I just put up a blank stare.

The person then said "If we re-stock, would you like to buy one?" So I bought the DVD because I was kind of looking forward to it.

"Please get one for your friend too!" he said. I became so excited! I hadn't thought about that at all...

I must say "Kick Ass" is quite the master piece for movie enthusiasts.
Someone said this to me but if there was soccer in that movie they
should use those uniforms! (I wouldn't wear them though!)

While I was at the cash register,

I managed to make some conversation about movies. I was so happy!

Me: "Have you seen this?" (Denzel Washington's "Unstoppable" that I was renting.)

Employee: "No, not yet, I've seen his previous work "The Subway Crash"

I hated the entire thing!

Me: "What?" It was interesting, wasn't it?"

Employee: "Not really"

And that's the kind of conversation we had...

And after they frequently gave me and lent me various DVDs

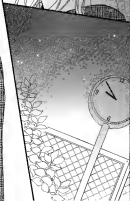

Free of charge! I'm so grateful...

Next time, I'll bring some juice or something for them. ☆

A little while ago, I was shopping at Burberry. There was a male customer who kept trying on black leather boots endlessly. "Oh he seems pretty well dressed," I thought. And then for some reason, the customer raged at the employee! He had a small voice, but he was really angry. I was at the register and couldn't really hear all of it. But he said something like "Be careful! It's very sensitive!" After that, he continuously complained, even as I was leaving the store. The employee just kept sincerely apologizing. I wonder what happened...?? All of the employees at Burberry are extremely proper and polite. No matter where I looked in the store, I couldn't find anything that I hated. I don't really understand, but I wonder what happened, that the guy couldn't forgive, hm? And... I bought a red Burberry dress! ☆ I look like a retro stewardess!

*"I really...
really... really
like you."*

- 6 Ahhh, just a little while ago I ate out with the editor-in-chief and my supervisor. I've been out quite a few times with my supervisor so that was okay, but being with the editor-in-chief made me so nervous..... at first, anyway. As I spoke with him more and more, I realized how funny he was. It felt like we 'party'-ed it up. Such a cool word. Maybe I should... use it in the manga... one day. Anyway, back to Mainunovich. I still have reach my goal when I said 'I'll definitely do it this way!' back then. Also... what kind of conversation would go with that? I'll just try my best and have fun messing around. Because you know... it's like totally worth my time.

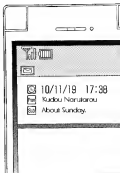

Please keep supporting me and cheering me on!!
